Korean proposal for a potential NWIP on CPTED

COMMENTARIES/

DECISIONS

As decided during the TC 292/WG 6 meeting held in Jeju in April 2017, 3 WG6 experts worked with Prof. Hyeonho Park on the potential NWIP (form 4) on CPTED.

The revised NWIP and the 1st draft are circulated to the WG 6 experts and a remote meeting is being organized to discuss these documents (please note your availabilities on this [Doodle survey](#)).
